ABOUT DURALED

WHO ARE WE?

DURALED is the LED lighting brand of **DURAFORGE INTERNATIONAL**, an Indian exporter of building material and hardware. Our range covers indoor panel lights, downlights and surface lights, and outdoor flood lights for every kind of project.

Every DURALED light is designed for bright, even illumination with low power use and long life, helping homes, offices, shops and industries cut energy costs while lighting their spaces beautifully.

With a choice of wattages, sizes, body colours and colour temperatures, DURALED gives distributors and contractors one reliable source for complete lighting projects.

DURALED
Light Up Every Space.

OUR MISSION

To supply efficient, reliable and good-looking LED lighting that saves energy and lights up every space, with consistent quality in every shipment.

OUR VISION

To become a trusted LED lighting name worldwide, known for brightness, durability and value.
